

GRAPHIC DESIGNING

Day 2

Day 2 (Name Logo):

- 1) First, you have to draw your name in the paper later take a pic of it using your mobile.
- 2) Now mail that image to your mail using your mobile itself.
- 3) Open that image in illustrator or XD and start drawing that name using pen tool.
- 4) Give some color to your name and also add some nice background-colors to it ✨
- 5) Later export that image and upload it.
